Name: _____

Tour Flag No. _____

Email Address and/or Cell: _____

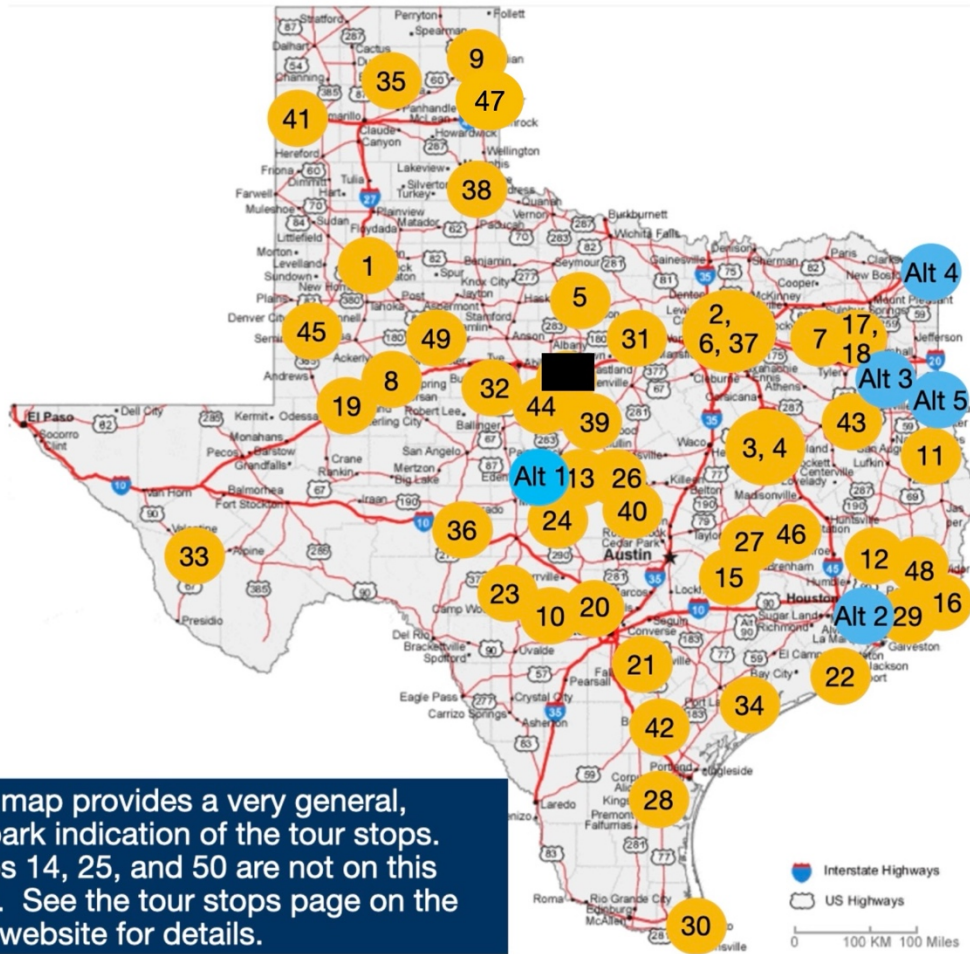

The purpose of this publication is to give the tour riders a portable, physical reference to find the tour stops and record notes on their travels.

See the Rules for Participation on the tour website for complete rules and procedures.

Due to unforeseen circumstances, tour stop locations are subject to change. Be sure to read the Tour Update newsletters, as notices of tour stop changes may be posted in the newsletter.

Requirements for Picture Submissions to the Picture Submission Portal (PSP):

- A. Do NOT submit pictures until you have received your tour flag.
- B. Be sure to take the pictures at the location indicated in the pictures on the website and this publication. Use the pictures to ensure that you are in the right spot.
- C. See the letter that came with your tour flag for the password.
- D. The maximum number of Tour Stop pictures to upload is 50. There are some alternative tour stops listed. You may submit one or more of the alternative tour stops in lieu of regular tour stops.
- E. Do not upload all your pictures at one time. Upload them as you go.
- F. Take pictures in high resolution, but no more than 10 MB in size.
- G. Try to include all of your bike in your pictures.
- H. Be sure to check your pictures while still at a tour stop to ensure that your flag number is clearly visible. Check for sun glare, fingers covering numbers, grainy image, etc. Submit a good picture so you can receive credit for the stop.
- I. You do NOT need to rename your picture files. If you want to rename them, do NOT use special characters in the name. Letters and numbers are fine. Special characters in the file name may cause the picture to not be visible when uploaded to the PSP. If not visible, you will not receive credit for the stop.
- J. Be careful to enter your flag number correctly when uploading to the PSP. If you enter the wrong flag number, you will not receive credit for the picture upload.
- K. See the Rules for Participation for full details.
- L. If you lose your tour flag, contact the Tour Director ASAP and review the Rules for Participation regarding lost flags.
- M. By submitting photos (pictures), you agree to all of the terms, conditions, and requirements of the Rules for Participation (including the photo release).

This map provides a very general, ballpark indication of the tour stops. Stops 14, 25, and 50 are not on this map. See the tour stops page on the tour website for details.

BONUS

You can earn five bonus points for submitting a picture of your bike and tour flag at one of the tour stops with a copy of Ride Texas magazine. To enter the bonus picture, choose “Stop 0” from the drop-down menu on the Picture Submission Portal. If you do upload the bonus picture, also upload it under the applicable stop number. For example, if you take the picture at Tour Stop 2, you will need to upload it under Stop 0 and Stop 2. Only submit one bonus picture.

Ride Texas magazine is only available by subscription. See www.RideTexas.com for information about the magazine.
